

Document 1: Admission Criteria & Cutoffs

Institution: Hyderabad Institute of Technology (HIT)

Document Version: 2026.1

Effective Academic Year: 2026-2027

1. Overview of Undergraduate B.Tech Programs

Hyderabad Institute of Technology (HIT) offers four-year Bachelor of Technology (B.Tech) programs across five major engineering disciplines. The academic year operates on a semester system (8 semesters total). Admissions are strictly based on merit, entrance examination scores, and state government counseling guidelines.

1.1 Total Intake Capacity (Seat Matrix)

The total approved intake for the first year across all branches is 840 seats. The branch-wise distribution is as follows:

Branch Code	Department Name	Total Seats
CSE	Computer Science & Engineering	240
AIDS	Artificial Intelligence & Data Science	180
ECE	Electronics & Communication Engineering	180
MEC	Mechanical Engineering	120
CIV	Civil Engineering	120

2. Basic Eligibility Criteria

To be considered for admission into any B.Tech program at HIT, a candidate must fulfill the following foundational requirements:

- **Academic Qualification:** The candidate must have passed the 10+2 (Intermediate) examination conducted by the State Board of Intermediate Education, Telangana, or any equivalent recognized board (such as CBSE or ICSE).
- **Mandatory Subjects:** Mathematics, Physics, and Chemistry (MPC) must be the core subjects in the 10+2 curriculum.
- **Minimum Marks Requirement:** Candidates belonging to the General Category must secure a minimum of 60% aggregate marks in the MPC subjects. Candidates from reserved categories (SC/ST/OBC) require a minimum of 55% aggregate marks.
- **Age Limit:** The candidate must be at least 17 years of age as of December 31st of the year of admission. There is no upper age limit.

3. Categories of Admission (Quota System)

Seats at HIT are divided into two primary categories as per state regulations:

3.1 Category-A Seats (Convener Quota)

- **Percentage:** 70% of the total seats in every branch are reserved under Category-A.
- **Process:** These seats are filled entirely through the single-window counseling process conducted by the State Government based on the TS EAMCET (Engineering, Agriculture and Medical Common Entrance Test) rank.
- **Fee Structure:** Students admitted under this category are eligible for state fee reimbursement schemes, subject to income certificate verification.

3.2 Category-B Seats (Management / NRI Quota)

- **Percentage:** 30% of the total seats are reserved under Category-B.
- **Process:** These seats are filled directly by the HIT college management.
- **Selection Priority:** Admission is granted in the following order of preference:
 1. Non-Resident Indian (NRI) candidates.
 2. Candidates with a valid JEE Main rank.
 3. Candidates with a valid TS EAMCET rank.
 4. Candidates based purely on 10+2 merit (minimum 65% aggregate required for direct admission).

4. Official Closing Ranks (Previous Academic Year Cutoffs)

The following tables represent the final closing ranks for Category-A seats from the previous academic counseling session. *Note: RAG test scenario - these specific numbers are perfect for querying the database.*
